

PATIENT PARKING

Dear Patients,

We would like to inform you that a new camera controlled car park management system is being introduced at Stanford and Beaconsfield Medical Centre car park and will be effective from 1st December 2014. The car park management system is being introduced to help improve the parking facilities for patients and you will be required to enter your vehicle registration into the terminal within the surgery, on each visit. Patients are permitted to park in the front car park and in designated bays only. If you have any questions, please speak to the Practice Manager.

Please be aware of the parking limits as detailed below.

ParkingEye Ltd (Company No: 5534656) is authorised by the licensee to operate this private car park for and on its behalf. We are not responsible for the car park surface, damage or loss to or from motor vehicles or general site safety. Parking is subject to the terms and conditions that apply set out within this notice (the "Parking Contract"). By parking, waiting or otherwise remaining within the private car park, you agree to comply with these terms and conditions (the "Parking Contract") and are authorised to park only if you follow these correctly, including making payment where directed, entering your registration details via the payment and/or permit system. If you fail to comply, you accept liability (the "Parking Charge"). This Parking Contract shall form the entire agreement between the parties. Any proposal to waive any part of this Parking Contract shall not be valid unless confirmed in writing by ParkingEye Ltd. By entering the private car park, you consent, for the purposes of car park management to: the capture of photographs of the vehicle and registration by the ANPR cameras operated by the attendant and to the processing of this data, together with any data provided by you or others via the payment or permit systems; correspondence; telephone; or in person, by ParkingEye Ltd and any authorised sub-contractor to check compliance with the Parking Contract. Furthermore, you consent to the processing of this data to ensure registration details from the DVLA, where the Parking Contract is not adhered to and a) enforcement is undertaken remotely via ANPR; or b) the Parking Charge notice is issued manually by the attendant, but remains unpaid. Parking Charge incurred: a) will be notified to the registered keeper by post, where the ANPR system identifies non-compliance with the Parking Contract, and may be processed to the relevant driver on receipt of the driver's valid name and address; or b) will be notified to the driver, where an attendant identifies non-compliance with the Parking Contract, and may subsequently be notified to the registered keeper. Personal data may also be shared with the DVLA, DVORLA, mail service providers, credit reference agents, collection agents or solicitors for this purpose and any authorised sub-contractors. A reduction of at least 40% of the Parking Charge will be available for a period of 14 days. Failure to pay the Parking Charge within this period will result in the full amount becoming payable. Where Parking Charges remain unpaid beyond 28 days, recovery charges in respect of further action may apply. A charge reflecting the cost to ParkingEye may apply for payments made with a credit/debit card.
